The Final Arrangement
Two fighting florists.
One dead body. Can she catch the real killer before she's planted in jail? Quincy McKay is ready for a fresh start. Finally free of her good-for-nothing ex, she can't wait to grow her aunt's struggling small-town floral boutique. But her hopes wither and die when her biggest

competitor is found dead and she's accused of murder. Teaming up with her blunt-speaking elderly friend, and a dreamy cop, Quincy desperately digs for clues to prove she didn't do it. But her mother's gossip network and the return of her crazy ex threaten to blight her investigation. Can Quincy unearth the culprit, or will she be buried along with her business? The Final Arrangement is the first book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a light sprinkling of romance, then you'll love Annie Adams' freshly picked tale. Deadly Arrangements Wedding bells are ringing and

the groom has gone missing in small town Hillside. Florist Quincy McKay was all set for wedding season, until the groom from one wedding disappeared and the groom from another became the prime suspect. Hard for a florist to make a living on weddings without the grooms, and even harder for her to stay out of the investigation, when the suspected culprit is the fiancé of her truth-telling older friend and sidekick, K.C. All Quincy wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. The trouble is, between Alex's job and everyone else's weddings, it's getting

harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Just when Quincy thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever if someone doesn't kill Quincy first. She stumbles into the clues to solve the case of the missing groom and finds a corpse as well, with the real culprit right on her sensible but stylishly clad heels, proving that planning a wedding can literally be murder.

Deadly Arrangements is the second book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a little romance, too, then you'll love Annie Adams' funny, feisty mystery. A Christmas Arrangement It's Christmastime in Hillside, but holiday spirit is in short supply for busy flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents

are coming to town. Alex is the perfect man in Quincy's book, unfortunately his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's

Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers as flaky as the falling snow, and a troubling and inappropriate Secret Santa, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart Buy The Arrangements to weed out a small-town murderer today!

What I'm recommending is move her from your radar and into your reading shelf, because all of her mysteries are just so good!... We have likeable cat characters, and likable clueless human characters as well!... There were multiple red herrings, and so many odd scenes that I really wasn't sure who to trust by the end of it... a must read for cozy lovers... you won't regret it!' Goodreads reviewer
★★★★ 'This is a 'purrfectly' fun read... Leighann Dobbs invents such a unique and easy read. The idea was appealing; the plot was smoothly created... It delivered the reader a laidback

experience while the mystery is told spot on... All the characters are very delightful... I heartily recommend... a fun and easy read and especially if you are undoubtedly a cat lover please place this on your TBR list. You will be swooned over by their cuteness overload.' Dr Loves Books

This volume contains books 10-12 of London Lovett's Firefly Junction Cozy Mystery series.

Join Sunni Taylor, Brady 'Jax' Jackson and the Cider Ridge ghost for three cozy mysteries with fun paranormal twists. • A Crafty Killing (Book 10) Sunni Taylor is looking forward to an easy and sweetheart filled month of February. After a few blissful months as lead reporter for the Junction Times, an unexpected shake-up at the newspaper leaves her reeling and frustrated. She finds herself once again having to cover mundane stories, like the Firefly Junction Craft Fair. She's not looking forward to endless paragraphs

about quilts, pottery and crocheted potholders, but she needs the money to help reach her true goal of opening the Cider Ridge Inn for guests. When one of the crafters is murdered, the craft fair takes a dark turn. Sunni finds herself in the middle of an investigation. It doesn't take long for Sunni to realize that there's more to the town's artists than clay, yarn and silk flowers. • Death at the Museum (Book 11) Sunni Taylor has once again settled into her journalist position under a new boss and a new lead reporter. The fact that the new lead reporter, Dave Crockett, just happens to be her sister's boyfriend makes things a little more complicated, but

Sunni is determined to be content. She now has more time to spend planning for the opening of the Cider Ridge Inn. When Prudence Mortimer, the new owner of the Junction Times sends her on assignment to the Egyptian artifact exhibit at the museum, Sunni is excited to learn about the ancient treasures. But, as is usually the case, trouble and, yes, murder, follow her to the new assignment. Sunni soon finds herself chasing a thief and a killer. • Murder at the Pumpkin Patch (Book 12) Sunni Taylor's sisters, through their power of sisterly persuasion, have convinced her to host a Halloween costume party at Cider Ridge Inn. She's a little reluctant about the

whole event and rightly worried about the actual ghost, who will, no doubt, be in attendance, but she decides to just relax and enjoy it. Of course, you can't have a spooky Halloween party without toothy-grinned Jack-o'-lanterns. Sunni talks Jackson into spending their day off at a local pumpkin patch. The Riggle Family Farm is famous for its sprawling pumpkin patch and mind-boggling corn maize. Sunni and Jackson look forward to a day in the autumn breeze sipping cider, nibbling on candy corn and choosing the best pumpkins for the party. But when one of the Riggles is murdered, the day off turns into a murder investigation. And once again, Sunni

has a front seat to the chaos.
