The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to

remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good

habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to

transform your habits-- whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

GET THINGS DONE EFFECTIVELY: Are you struggling with staying true to your goals and plans? Do you think you need a comprehensive daily & weekly planner to get things effectively? Our daily planner for students is designed to help you get your life and goals in orders, and plan your day meticulously. Our scientifically designed daily planner is designed to help you regain control of your affairs to get things done on time. **PACKED WITH ATTRACTIVE RESOURCES:** Most traditional planners are simple and monotonous and our

planners are not like other planners. Our creativity and enthusiasm boosting planners feature a variety of sections and resources to help you organize your goals and plans painstakingly. Our daily planner for creative people contains scheduling templates, contact/address book pages, note pages, yearly goal setting page, personal mission statement, an annual calendar, and other interesting sections to help you organize your life. **REACH YOUR GOALS SUCCESSFULLY:** Nothing is more frustrating than going in circles with your plans and ambitions if you don't have them in writing. Our premium planner for daily activities is an all-inclusive approach to

organize your goals and plans carefully. The part life organizer ensures to boost your productivity levels to help you reach your goals within no time. Take a peek at your weekly goals to stay inspired and reward yourself on completing a milestone. **YOUR DREAM PLANNER:** Our paperback planner is everything that you have ever dreamt of, the planner booklet comprises of everything to help you sort out your plans and goals. The planner features monthly and weekly tabs and other features. The lightweight and sturdy annual planner would last you a long time! The undated planner allows you to jolt down your plans for any week of any year! **GET ACTIVE:** Are you

planning a project for school or life? Are you planning a vacation or a weekend? Use our scheduling and planning planner to organize your thoughts and plans in an organized manner. Use a planner to separate your work life from your life to dedicate time to your family and yourself. **Product Description:** It's the beginning of the year, and everyone is fascinated to make new year goals for the occasion. They are ambitious to work on a series of plans and goals but, due to lack of proper planning, they lose touch with their goals and ambitions. Everyone needs a planner where they could jolt down their inspirations, dreams, ambitions and goals that they are

expecting to achieve in a year. There aren't many planners on the market that allows them to plan their goals meticulously and comprehensively; therefore, they are unable to get their affairs in order. Scientific studies reveal that sorting out your goals and ambitions in a planner are likely to help you achieve your goals in comparison to making a goal vocally. Successful people around the world swear by the magic of planning goals and they believe that it helps them with achieving their hallmarks.

Discover new, practical methods for teaching literacy skills in your early childhood classroom. Has

teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready? Break out of the tired "letter of the week" routine and learn how to transform your lessons with fun and effective techniques. Teach Smarter: Literacy Strategies for Early Childhood Teachers will equip teachers to infuse every aspect of their teaching with exciting hands-on literacy teaching methods that engage students and help them build authentic connections with books, so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond. Respected

author Vanessa Levin, veteran early childhood educator and author of the “Pre-K Pages” blog, breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle time, centers, and small groups. Offers a

simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching. Demonstrates how to build your confidence in your ability to get 100% of your students ready for kindergarten, long before the end of the school year. Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.
