We Were Liars Penguin

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that’s perfect for fans of John Green’s The Fault in Our Stars, two teens fall in love with just one minor complication—they can’t get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn’t care less about his treatments, or a fancy new clinical drug trial. Soon, he’ll turn eighteen and then he’ll be able to unplug all these machines and actually go see the world, not just its hospitals. Will’s exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn’t feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

Reading Log of "The Fault in Our Stars" by John Green Little, Brown Books for Young Readers

A husband-and-wife doctor team offers fresh and startling perspective on one of our most cherished and misunderstood institutions. Drs. Astro and Danielle Teller know better than most that finding the right partner in life doesn’t always happen the first time around. Through their own divorces they learned how widely held cultural assumptions and misinformation that nobody thinks to question—what they refer to as “sacred cows”—create unnecessary heartache for people who are already suffering through a terrible time. Do you think, for example, that the divorce rate in the United States is rising? Or that children are harmed by divorce? Most people do, but it turns out that neither of these notions is supported by the data. Combining the rigor that has established them as leaders in their respective fields along with a dose of good-natured humor, the Tellers ask readers to take a fresh look at seven common sacred cows: the Holy Cow, the Expert Cow, the Selfish Cow, the Defective Cow, the Innocent Victim Cow, the One True Cow, and the Other Cow. This is not a book that is “for” marriage or “for” divorce, but “for” the freedom to decide how to live most honestly and happily either as part of a couple or a single person.

Two award-winning and New York Times–bestselling author join forces for a collaborative novel of awesome proportions. One cold night, in a most unlikely corner of Chicago, two teens—both named Will Grayson—are about to cross paths. As their worlds collide and intertwine, the Will Graysons find their lives going in new and unexpected directions, building toward romantic turns-of-heart and the epic production of history’s most fabulous high school musical. Hilarious, poignant, and deeply insightful, John Green and David Levithan’s collaborative novel is brimming with a double helping of the heart and humor that have won them both legions of faithful fans. A New York Times Book Review Editor’s Choice An ALA Stonewall Honor Book “Will Grayson, Will Grayson is a complete romp. [It is] so funny, rude and original that by the time flowers hit the stage, even the musical-averse will cheer.” —The New York Times Book Review ★“Will have readers simultaneously laughing, crying and singing at the top of their lungs.”—Kirkus Reviews, starred review “It is such a good book. [Green and Levithan] are two of the best writers writing today.” —NPR’sThe Roundtable

The Fault in Our Stars is a novel by author John Green. The story follows the main character, Hazel Grace Lancaster, as she battles cancer. Not only is Hazel trying to live the normal life of a 16-year-old girl, but she is also struggling with what it will be like for her parents after she dies. While Hazel attends a church support group for cancer survivors, she meets a boy that is one year older than her, Augustus Waters. While Augustus had a type of cancer that causes him to lose his leg and wear a prosthetic, it also has a survival rate that is much higher than Hazel's death sentence. From the first day that Hazel meets Augustus, the two are practically inseparable. The basis of their relationship ends up being Hazel's favorite book, An Imperial Affliction. She requires Augustus to read it and in turn, he requires her to read the book that is the basis of his favorite video game. Hazel relates to the character in her favorite book, Anna, because Anna has a rare blood cancer. Augustus and Hazel bond over the book because both of them of a burning desire to find out how the story ends because the author stops the book before providing conclusion on what happens to each of the characters. Augustus joins Hazel's pursuit of the book's author, Peter Van Houten, to provide the answers that they need. Augustus even uses a wish foundation to fly him and Hazel to Amsterdam, where the author lives, to talk with him in person. While Hazel is the one that is doomed to die, Augustus ends up telling Hazel that at his recent scan, the doctors discovered that his entire body is filled with cancer. Hazel spends the last months of Augustus's life caring for him and loving him.

“Fascinating. Ellison has the art of page-turning down flat, and readers will be swept up by both the terror—and the romance.” —Booklist, Starred Review “This book casts a spell over its readers.”—SLJ, Starred Review “An engaging mystery starring a teen girl with obsessive-compulsive disorder. A pleasing mix of realism, tension, intrigue and romance.” —Kirkus Reviews “ . . . a strong, twisty thriller of a debut . . . [with] a complex and memorable heroine.”—Publishers Weekly “Lo’s relationship with the mysterious street boy who calls himself Flynt, layered on top of her almost supernatural loneliness and helpless compulsions, gives the novel an otherworldly quality.”—VOYA “A debut worth picking up. Stark and realistic.”—RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place-- possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as "Sapphire"--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. As she attempts to piece together the mysterious "butterfly clues," with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined--a world, she'll ultimately discover, that could hold the key to her brother's tragic death.

When Megan arrives on the cancer ward for her first treatment, she's frustrated to be on the pediatric unit. There's only one other teen there: Jackson Dawes. He's cute, rebellious . . . and obnoxiously charming. Megan can't stand the way he meets his illness with such positive energy. But when her own friends are scared off by her illness, Megan finds she doesn't really mind Jackson's playful antics. As they begin the tentative stirrings of first love, they also start the most aggressive round of treatments on their tumors. Can the power of first love overcome the heartbreak of cancer? Fans of Lurlene McDaniel will flock to this emotional debut.

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic
