 Instant New York Times bestseller "Howard Zinn on acid or some bullsh\*t like that." —Tim Heidecker  
 The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like "a weirder, smarter, and deliciously meaner version of The Daily Show's 2004 America (The Book)" (Paste), Chapo Trap House shows you that you don't have to side with either sinking ships. These self-described "assholes from the internet" offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate.

Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then Chapo, let’s go...

We are Kat and Greg and we have been married for five years as of the writing of this book. To our friends and family, we have a normal monogamous relationship that is happy. We own a successful business together. Behind closed doors however, we have a cuckold or hotwife relationship. We will make a few assumptions about your knowledge of the topic since you found this book. We expect that you at least have a general idea of what cuckolding is. We are writing this book to help other couples who are interested in the lifestyle. We want to share our experiences with the world. Our relationship didn't start out this way, it evolved over time. We both read a lot about the topic as our relationship evolved. In particular, we enjoyed reading about other couple's experiences to help find

our way through this new territory. Hearing about first-hand experiences on any topic you wish to learn about and explore is helpful. Now that we have settled into a comfortable place, we want to help others find their way. The format of this book will be general information to start each chapter, followed by personal thoughts from both Kat and Greg individually. We hope this will give you the basic information plus a more personal spin that you can relate to. It is a well-known fact that men and women think differently about everything. Even if we agree on something, we usually have different reasons for thinking the way we do. By sharing not just general information, but also two different views of that information, we hope to really give you a great sense of the topics.
