She grew up believing her grandparents had transitioned easily from the Highlands of Scotland and England to Canada in the 1910s. What she found in her father's attic revealed an unbelievable saga full of romance and abiding love coupled with unbelievable

tragedy. Their struggle against adversity to be together inspires one to ask, "What would I do for the sake of love?" Will was a lowly footman to an Earl in England, Janet a nanny to a Lord and Lady in the Highlands of Scotland. They knew their hearts but were separated by distance and duty: Will in England, Janet in Scotland. Desperate to find a way to be together, Will gives up everything he knows and sets sail for Canada, with \$25 in his pocket, expecting a short separation. It was not to be. This gripping and heartfelt story traces their journeys, in back and forth chapters between Canada and the Highlands of Scotland, as they struggle with the help of Janet's sister Mary Ann to overcome the obstacles threatening their dreams. Inspired by a true story, this Historical

Fiction Saga was described as "unputdownable" by Digital Arts and Entertainment Reporter, Margaret Chrystall of Highland News and Media, Scotland. Literary Titan review states: "A Ring of Promises is a romance novel that transcends genres and offers readers much more depth and emotion than your typical love story. Time and distance play an integral role in Gage's work. The author keeps romance alive with Janet and Will. Not many books maintain the integrity of the characters' love and dedication like this one."

Kovac and Liska take on multiple twisted cases as #1 New York Times bestselling author Tami Hoag explores a murder from the past, a murder from the present, and a life that was never meant to be. As the bitter weather of late fall descends on Minneapolis, Detective Nikki Liska is restless, already bored with

her new assignment to the cold case squad. She misses the rush of pulling an all-nighter and the sense of urgency of hunting a killer on the loose. Most of all she misses her old partner, Sam Kovac. Kovac is having an even harder time adjusting to Liska's absence but is distracted from his troubles by an especially brutal double homicide: a prominent university professor and his wife, bludgeoned and hacked to death in their home with a ceremonial Japanese samurai sword. Liska's case—the unsolved murder of a decorated sex crimes detective—is less of a distraction: Twenty-five years later, there is little hope for finding the killer who got away. Meanwhile, Minneapolis resident Evi Burke has a life she only dreamed of as a kid in and out of foster care: a

beautiful home, a loving family, a fulfilling job. But a danger from her past is stalking her idyllic present, bent on destroying the perfect life she was never meant to have. As the trails of two crimes a quarter of a century apart twist and cross, Kovac and Liska race to find answers before a killer strikes again.

On her thirtieth birthday, Gwendolyn Reese receives an unexpected present from her widowed Aunt Bea: a grand tour of Europe in the company of Bea's

Sudoku and Mahjongg Club. The prospect isn't entirely appealing. But when the gift she is expecting--an engagement ring from her boyfriend--doesn't materialize, Gwen decides to go. At first, Gwen approaches the trip as if it's the math homework she assigns her students, diligently checking monuments off her must-see list. But amid the bougainvillea and stunning vistas of southern Italy, something changes. Gwen begins to live in the moment--skipping down stone staircases in Capri, running her fingers over a glacier in view of the Matterhorn, racing through the Louvre, and taste-testing pastries at a Marseilles cafe. Reveling in every new experience--especially her attraction to a charismatic British physics professor--Gwen discovers that the ancient

wonders around her are nothing compared to the renaissance unfolding within. . . THE MOST NOBLE OF SPIRITS RISE FROM THE MOST HUMBLE OF HEARTS He was unaware they searched for him. After all, he was an ordinary man, a simple pianist who herded goats and played Chopin high in the Pyrenees Mountains. He was also unaware that deep within his brilliant hands, dormant and undisturbed, was an ability to kill. In the darkest days of World War II, a man who plays Chopin so magnificently the angels

weep, begins a reluctant journey into spyhood. Garcia Quinones, virtuoso pianist famous throughout Europe, is forced into the dark world of espionage by Britain's MI6 where he must learn to lie, deceive and murder. "I am a pianist, not a spy," he cries. Under duress, Garcia is groomed for the lead role in a daring plot to dupe the Germans. His teacher, one of Britain's most revered spymasters, must ensure Garcia fools the Germans as brilliantly as he plays the piano. Can the pianist's delicate fingers learn to curl around a 9mm pistol and squeeze the trigger before he faces the Gestapo and the Reichsfuhrer of Nazi Germany. "The Unwilling Spy" is the timeless story of exceptional men who strive to battle tyranny and evil in times of war. When the soul of an artist is

forced to confront the demons of political oppression, the results are unforgettable.
